

BUTTERFIELD GULCH GANG LIABILITY WAIVER

I recognize the inherent dangers associated with shooting and have no intention of handling my firearms in a manner that may be unsafe to others. I understand this is a cold range and that my firearms must be unloaded and long guns carried actions open, unless I am on the firing line and under the supervision of a range officer. I am aware of the loud noise of live fire and the possibility of being struck by rebounding bullet particles. I will always wear eye protection both on and off the firing line, and will insist that my guest(s) do likewise. I understand ear protection is required while on the firing line and highly recommended while off the firing line. I shall fully indemnify and hold harmless the BUTTERFIELD GULCH GANG their officers, range officers, members and land owners from any and all claims, demands, causes of action, damages, losses and expenses (including attorney's fees) of whatever nature, character, or description that any person or entity has or may have arising from or related to any incident resulting from any negligent act, omission, misconduct, or fault of THE BUTTERFIELD GULCH GANG, its officers, range officers, agents, members, or the range owners.
